START NEW LIBERTY LOAN DRIVE

Twenty-five business men of the city, all connected with the Fourth Liberty loan drive here, subscribed \$30,000 in a few minutes on Monday night at an enthusiastic meeting held in the office of James L. Case on Shetucket street.

For the five remaining days of this week they are to take up a concentrated drive with teams of six men each and every man on each team devoted to the job of securing at least \$1,000 per day per man in new subscriptions to bring Norwich up to its quota of \$2,360,000 with a dash.

Mayor J. J. Desmond was present at the meeting besides being one of the leaders when the subscription drive was made at the meeting but his official sanction on the drive by issuing the proclamation which is published herewith.

Subscriptions during Monday numbered 674 for \$60,000 which made the Norwich total \$1,181,000 on a total of 1,485 subscriptions. The \$20,000 subscription made by the meeting put beyond the million and a half mark.

The meeting was one that vibrated with enthusiasm for the success of the Norwich drive. There were cheers and applause for Will L. Stearns when it was disclosed that he was the only man in the room who had a boy on the fighting front and there was a quick response with the verses of the campaign which could be right right in the committee. James L. Case, who had been drafted by General and Chairman William H. Allen to take hold of the drive to send Norwich over the top, led off, at this suggestion, with a subscription of \$1,000 and was at once matched by Mayor Desmond. Chairman Allen followed with \$2,000 and so it went all down the line several of the men doubling or trebling their previous subscriptions until Anthony Arthur F. Libby was acting as clerk, announced a total of \$23,890.

Mayor Desmond also announced that he would call on all citizens to fly the flag for the rest of this week as a patriotic incentive for every one to remember that Norwich is committed to meeting its quota.
